

1 ROLLOVER/TRANSFER REQUIREMENTS

In order to be eligible for a rollover/transfer, all of the below statements must be true.

- You must currently be a participant or eligible to be a participant in the MBA 403(b) Plan.
- The rollover amount must be from an eligible plan and cannot include the following: Distributions received as a hardship; required minimum distributions or ongoing series of payments over the life of the participant; distributions of excess contributions and their earnings; loans treated as distributions; or nondeductible IRAs.
- Indirect rollovers cannot be from a designated Roth account or a traditional after-tax account of an employer plan.

2 GENERAL

WHO CAN ROLLOVER/TRANSFER FUNDS INTO THE 403(B) PLAN

You must either already be enrolled in the MBA 403(b) Plan or be eligible to enroll. Eligibility to enroll in the MBA 403(b) Plan includes holding credentials with the Assemblies of God, or active employment with an Assemblies of God ministry institution that uses MBA as an authorized 403(b) plan vendor.

CAN I ROLL OVER OR TRANSFER AN INHERITED RETIREMENT ACCOUNT?

Only spousal beneficiary accounts may be rolled into your MBA 403(b) account.

WHAT IS THE DIFFERENCE BETWEEN A 403(b) ROLLOVER AND A TRANSFER?

Rollovers typically occur when you change jobs or retire, and move your employer-sponsored plan to the MBA 403(b) Plan. Transfers occur when you want to change your 403(b) plan provider and do not meet the qualifications listed for rollovers.

WHAT IS THE DIFFERENCE BETWEEN A DIRECT ROLLOVER AND AN INDIRECT ROLLOVER?

A direct rollover is when the distributing company transfers funds directly to MBA for the benefit of the participant. An indirect rollover is when you cash out your account and receive a check made payable to you. A percentage of your total balance is withheld for taxes and will be considered a distribution if that amount is not included in the rollover. Indirect rollovers must be made within 60 days of receipt of a rollover from another plan, or, you can claim a waiver of the 60-day rollover period under the IRS self-certification procedure. If using the self-certification procedure, the IRS-approved Model Letter signed by the participant must be attached.

3 TRANSFER PROCESS

WHERE DO I START?

Complete an Incoming Rollover/Transfer Form for each account you are rolling over or transferring and include requested documentation. Mail original forms and copies of documentation to AG Financial Solutions, PO Box 2515, Springfield, MO 65801-2513. Make all rollover/transfer checks payable to Ministers Benefit Association.

DO I NEED ANYTHING FROM MY CURRENT COMPANY?

Contact the company that manages your current plan to determine if a signature guarantee or other documentation is required to roll over or transfer the fund to the MBA 403(b) Plan. You may also need to initiate liquidation instructions of certain investments.

HOW LONG DOES A ROLLOVER/TRANSFER TAKE TO BE COMPLETED?

Your rollover/transfer process can take up to five weeks for completion depending on the processing time of the company sending the funds. You will receive a confirmation letter from AG Financial Solutions when the rollover/transfer funds are received.

WHAT ABOUT REQUIRED MINIMUM DISTRIBUTIONS?

If you are 70½ or older you are required to take the required minimum distribution before you roll over or transfer funds.

4 MISCELLANEOUS

HOW WILL MY ROLLOVER/TRANSFER BE INVESTED?

Rollovers/transfers are invested according to the election on file for new contributions. To make changes, download and complete an MBA Investment Change Form located at agfinancial.org/retirementforms before your rollover is received.

ARE THERE ANY FEES ASSOCIATED WITH ROLLOVERS/TRANSFERS?

There are no fees to roll over or transfer funds into the MBA 403(b) Plan. However, any distribution of rollover/transfer funds from the MBA 403(b) Plan within the first year will be assessed a \$250.00 fee to cover administrative expenses of processing the rollover and distribution.

WHAT ELSE SHOULD I KNOW ABOUT 403(b) TRANSFERS?

MBA must be listed as an approved vendor in your employer's 403(b) written plan prior to transfer.

The account statement must detail the information required in Section 3 of the Incoming Rollover/Transfer Form, or alternatively, a representative of the transferring company may certify in Section 4 that the information provided accurately reflects their records. If the accounting detail requested in Section 3 is not complete, MBA will treat all funds received as pre-tax deferral earnings from a 403(b)(7) plan. If all monies received are treated as earnings, this may affect your ability to receive hardship distributions as well as any distributions for Roth and traditional after-tax monies.

403(b)(7) custodial accounts have more legal distribution restrictions than 403(b)(1) annuity and 403(b)(9) church accounts. Transfers from any 403(b) account must retain the same legal distribution restrictions that the original account was required to have. If the transferring 403(b) type is unknown, it must be treated as a 403(b)(7) custodial account. Additionally, 403(b) plans may restrict distributions differently according to their governing document.
