

# Church cash solutions with strong returns and purpose.

## Results

**Growth.** In the fiscal year 2019-2020, over \$184 million in new funds flowed into AGFinancial Investment Certificates. This growth brings the current total funds invested with us to more than \$863 million.

## Stability

**Renewal Rate.** Over the past three years, approximately 75% of the principal balance of maturing AGFinancial Investment Certificates has been renewed or reinvested.\*

## Strength

**Number of Loans.** In the past three years, AGFinancial\*\* has funded more than 385 loans, increasing our current AG lending portfolio to over \$1.2 billion.

## Investment Options

**AGFinancial Demand Certificates** are the most accessible option with a competitive variable rate.

**AGFinancial Term Certificates** have maturities ranging from six months to 10 years.\*\*\* Premium rates are currently available for investments of \$250,000 or more.

*Not only do we receive more on our investment than what I could get with a money market or a local bank, but we sleep better at night knowing the money we invest is being used to further the Kingdom. There are two returns. There's a return on the investment, and there's a return to the Kingdom.*
